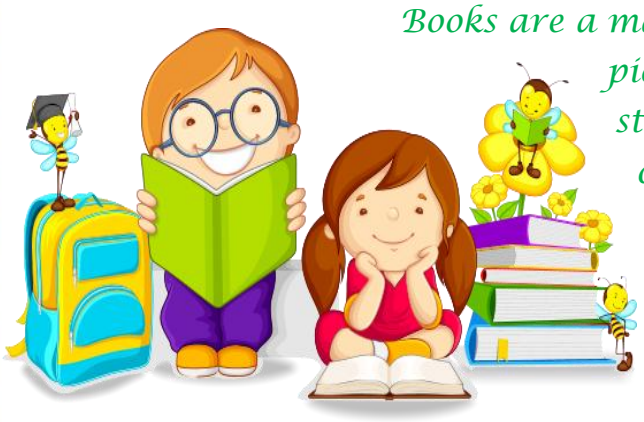
HOLIDAYS HOMEWORK FOR NURSERY

DEAR PARENTS

We know summer holidays are the time of the year when you get an opportunity to spend time with your child. To keep the little ones indoor in the sweltering heat and to utilize their time in creative activities, we have attempted to design meaningful creative activities to occupy the kids in their free time. We wish you have an enjoyable summer vacation with your kids. Here are few tips which will engage your kids in holidays:

1. Suggested Books



Books are a man's best friend. Buy different picture books, colouring books and story books for your child. Let the child do picture reading,colour the sheets in colouring book and recall the characters and incidents of the story.

2 .Know your Home

Play different games with your kids to encourage them to express freely and make them more responsible. It is going to increase their self-confidence and help them grow into as independent and confident individual. Collect things that belong to different rooms in the house and ask your child to name the objects and the room which they belong to. Help them to place the things back at the right place.

3.SuggestedT.V Channels

Discovery kids
Disney Junior

4.Suggested Movies

The Jungle Book
Good Dinosaur

5. Get Close to Nature

Take your child for regular morning walk to breathe in fresh air. Make him aware of the benefits of morning walk and tell him/her about different types of plants, flowers and birds so he/she can generate love for nature.

6. Let's converse in English
